*PIN-based Debit card can be used at ATMs & POS locations*

PDS Technical Services now offers a new and convenient way for employees to get their pay and it is called the PDS eCash card. The eCash card is a PIN-based debit card that is offered as an alternative to direct deposit. Your eCash card can be used at over 900,000 ATM locations and over 3,000,000 Point-of-Sale locations. You do not have to have a bank account or qualify for the card, any employee can sign up. Plus the card is FDIC insured up to \$100,000!

For more information on the PDS eCash Card:  
<http://www.pdstech.com/mypds.htm>  
or contact your branch office for an enrollment form.
