

About Open Enrollment

Annual open enrollment is the one time each year employees may make changes to their benefit elections for the next year. During open enrollment, you may enroll in or waive benefit plans, add or drop coverage for dependents and enroll in the supplemental plans. It is important that you carefully review your current elections, because you will not be able to make changes to your benefit elections in 2021 unless you experience a qualifying life event. 2021 plan details can be found at <http://www.pdstech.com/mypds>.

What You Need To Do

1. Review your current benefit elections and covered dependents on MyPDS at <http://www.pdstech.com/mypds>
2. Log in to the PDS Employee Self-Service Portal at <https://ess.pdstech.com>
3. Select Annual Enrollment
4. Make changes to your benefit elections or covered dependents as necessary

More details on the benefit plans and enrollment instructions can be found at <http://www.pdstech.com/mypds>.
